plus! **CHOCOLATE CAKES:**
THE *ULTIMATE* WEDDING-DAY INDULGENCE

Add a feminine touch to dark chocolate brown with psychedelic flower accents matched to your W-day colour scheme. Here, elegant embossed chocolate is used instead of fondant to sate the chocoholics in the crowd. Rich devil's food cake is layered with blood orange, lime and lemon chocolate cremes to add a hit of citrus flavour to this luscious confection. Cake, chocolates, flowers and chocolate name card all by Lesia Kohut of LPK's Culinary Groove in Toronto (416-461-6440 or www.lpksculinarygroove.com). Fork and plate, stylist's own.
