Pretty pink mini-cakes add pizzazz to the dessert course.

whimsical wedding

If you've never thought inside the box, why start with your wedding? Let your imagination run riot like we did—these fanciful cakes and flowers will be the perfect fit for your unique and colourful celebration.

Inspired by Warhol and those famous soup cans. Left: Psychedelic never tasted so good until it's made out of devil's food cake with blood orange, lime and lemon chocolate ganache.
